JUNE/JULY 89

OUR BIG DAY

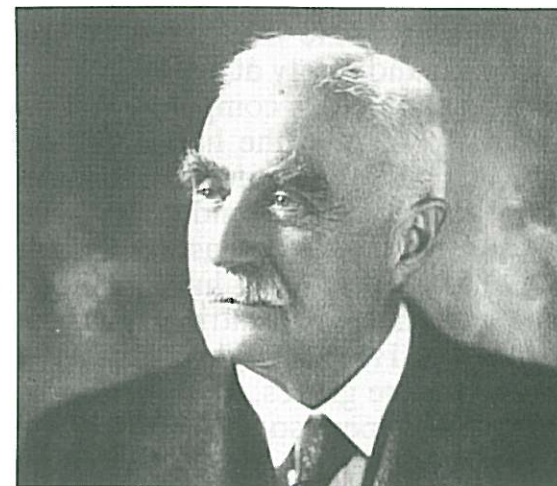

THURSDAY 10TH AUGUST 1989

Who would have thought on the 10th August 1889 that one hundred years later the Company would be 10 times the size in area and hold an international position of reputation in all its product ranges.

In order to celebrate our Centenary we will be holding an Open Day on Saturday 12th August between 1pm and 5pm when we hope that as many of our Employees families and friends will tour the site.

During the afternoon all the site Companies will be open and there will be various exhibitions around the works. We are hoping that our exhibitions will contain examples of memorabilia from those 100 years, therefore if you have any old photographs that are of interest please let us borrow them for the occasion.
